windows 安装命令

`irm https://claude.ai/install.ps1 | iex`

```
PS C:\Users\19410> irm https://claude.ai/install.ps1 | iex
Setting up Claude Code...

/ Claude Code successfully installed!

Version: 2.1.80

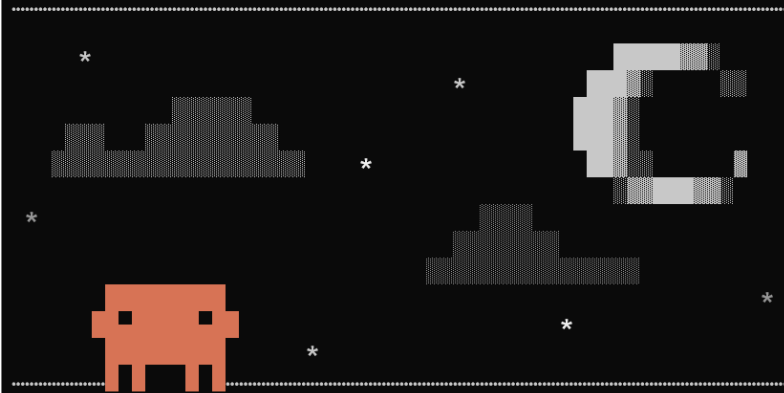

Location: C:\Users\19410\local\bin\claude.exe

Next: Run claude --help to get started

!! Setup notes:
  • Native installation exists but C:\Users\19410\local\bin is not in your PATH. Add it by opening: System Properties → Environment Variables → Edit User PATH → New → Add the path above. Then restart your terminal.

✅ Installation complete!
```

```
PS C:\Users\19410> claude
Welcome to Claude Code v2.1.80
